

AUDIT PROTECTION AGREEMENT

Sign up for Peace of Mind

Tax audits and correspondence with taxing authorities have become an expensive inconvenience. Paying a tax advisor to respond to the various taxing authorities can easily cost more than you paid to have the original tax returns prepared. Instead of worrying if you will be one of the lucky ones chosen for review, you can purchase "audit protection" for a fee equal to 15 % of your tax preparation bill with a \$75 minimum fee. Audit protection will help you avoid the extra cost associated with representing you on issues or questions arising on your 2009 individual income tax returns. As a part of your audit protection fee, we will respond to all notices and correspondences and meet with the appropriate tax authorities on your behalf at no additional charge.

This agreement covers all costs for professional services provided by Klein & Associates, PLLC prior to the appeals level and is limited to a maximum of \$1,000 of professional fees. This agreement does not cover assessments for additional tax, penalties or interest, nor does it cover out of pocket expense or the cost of any other professionals, such as attorneys, that may be called upon to assist you.

The fee for this agreement, along with a signed Audit Protection Agreement and the fee for preparing your 2009 individual income tax returns must be paid upon receipt of your tax returns from Klein & Associates, PLLC.

Please call us at (616)301-8850 if you have any questions.

Sincerely,

Klein & Associates, PLLC
